3. Seating may be limited.
4. Alternates and late entries are permitted until the end of the first break. Alternates are eligible to receive a refund up until the time that their chips stack is put in play. Late entries that require a new stack of chips to be put in play will have the equivalent of three small blinds extracted from their chip stack. The amount of one small blind will be placed into the first three pots the new stack is dealt into.
