PREFERENCE DATES

Delaware Bred or Certified Horses have preference in all races providing they meet condition eligibility requirements. **(Stake Races Excluded)**

The Preference Dates are GOOD FOR ANY DISTANCE & SURFACE.

Preference dates will not supersede conditions of a race. Horses will not be eligible to receive a Zero (0) date until their papers and/or digital papers are on file in the racing office or have been scanned. All horses registered prior to NOON, Tuesday, May 16th, will receive a zero (0), which is the lowest possible date. All horses registering after NOON on Tuesday, May 16th, will receive a one (1) or preference corresponding to the day of the meeting when registered. A zero (0) has first preference. Horses entering for the first time but not getting in a race that fills, (i.e. placed on the A.E. or are excluded), will receive an entry date corresponding to the date of which they entered for.

NO DATE ONLY ENTRIES.

Horses which have established a date at the current meeting will lose their preference should they race elsewhere and must reestablish a preference date at this meeting.

Horses that enter to run, have the opportunity to run or run will receive a preference corresponding to the date they race and lose all dates previously held, (i.e. **R1** would correspond to a horse running on the first day of the meet.). This excludes stakes and handicaps.

If a race scheduled on the turf is transferred to the dirt all starters will receive a (*) date, the (*) date is most preferred. The (*) date is good for the next entry made at Delaware Park. If horse races elsewhere the (*) date is lost.

Horses which scratch or are scratched will receive an (S) date upon which date they scratch. **The (S) date is least preferred, REGARDLESS IF DELAWARE BRED OR CERTIFIED AND/OR STABLED ON GROUNDS.** To receive a new date once scratched horses must enter a condition book race.

An up to date preference list will be made available after the overnight list is out. Any omissions, discrepancies, errors etc. must be lodged prior to the next drawing of entries.

All horses placed on the Stewards, Veterinarian or Starter lists will be available in the racing office. They will not be permitted to enter until they have been approved to start.

In no way does the claiming, ownership transfer or trainer transfer of a horse affect the preference date. When a horse's name appears in a race, other than a stake, and is entered for the following day, such entry will be given no consideration should the race in which it is entered be overfilled. It is the responsibility of a person making an entry to claim preference at time of entry. The stewards will consider no claims that do not comply with above regulations.

Entries:

May close by 10:30 am or when deemed appropriate by the Racing Secretary. Owners and Trainers, when entering horses in races, are cautioned to check carefully as to the eligibility of horses in their care and allowances claimed in races. Under the universal rules of racing, an Owner or Trainer is responsible for the weight his horse carries. The Racing Secretary will be glad to give the horsemen any information in respect to their horses that is desired, but the final responsibility rests with the Owners and Trainers. Hunt Meet races are not considered in either eligibility or weight allowances. The right is reserved to change or withdraw any unclosed race.

All Filled and Overfilled Races will close fifteen (15) minutes after a final is announced.

Eligibility:

The following horses will not be eligible to STABLE or RACE at Delaware Park:

1. Horses which have started eight (8) or more times consecutively without finishing 1st, 2nd, 3rd, 4th or 5th. **Allowance, Stake and Handicap races are exempt.**
2. Maidens Eight (8) years of age or older and horses over twelve (12) years of age will not be eligible for stall space or permitted to start.
3. Without Proof or Confirmation of Worker’s Compensation and General Liability.

Entry Preference for all surfaces (Dirt/Turf):

1. Condition Eligible
2. Delaware Certified
3. Trainer(s) with horses stabled on Delaware Park grounds
4. Entry/Preference Date

Who May Make a Claim?

- A. In claiming races, any horse may be claimed for its entered price by any Managing Owner (or his duly Authorized Agent) if the Managing Owner is presently registered in good faith and has started a horse, up to or including the race in which the claim is made. Such claim may be for the account only of the Managing Owner making the claim, or for the ownership of the horse which establishes such Managing Owner's right to claim, as indicated by the Managing Owner making the claim, as indicated by the Managing Owner on the claim blank. However, no person shall claim his own horse or cause his own horse to be claimed directly or indirectly for his own account.
- B. Where the Managing Owner is a partnership, only such partnership through its Managing Partner or such Managing Partner's duly Authorized Agent may claim.
- C. A new Owner, i.e., an Individual Partnership, Corporation or any other authorized racing interest who are in good standing and currently licensed in Delaware are eligible to claim.

Conditions for Starting a Claimed Horse - If a horse is claimed it shall not start in a claiming race for a period of twenty (20) days from the day after the claim for less than twenty-five (25) percent more than the amount of which it was claimed. The day claimed shall not count, the following calendar day shall be the first day and the horse shall be entitled to enter whenever necessary so that it may start on the twenty-first (21) calendar day following the claim at any price. This provision shall not apply to starter handicaps, allowances, and starter allowance races.

Requirement for Claim: Determination by Stewards - All claims shall be in writing, sealed and deposited in a locked box provided for this purpose by the clerk of the course, at least ten (10) minutes before post time. No money shall accompany the claim. Each person desiring to make a claim, unless he shall have such amount to his credit with the association, must first deposit with the association the whole amount of the claim in cash, for which a receipt will be given. All claims shall be passed upon by the Stewards and the person determined at the claiming time for claiming to have the

right of claim shall become the Owner of the horse when the start is affected, whether it be alive or dead, sound or unsound or injured during the race or after it, unless the age of such horse has been misrepresented, and subject to the provisions of subdivision (b) of this section. If more than one person should enter a claim for the same horse, the disposition of the horse shall be decided by lot by the Stewards. An Owner shall not be informed that a claim has been made until after the race has been run, and any horse so claimed shall be delivered to the Claimant. **Both the claim form and envelope must be filled out completely and must be accurate in every detail.** A post-race test may be taken from any horse claimed out of a claiming race. The Trainer of the horse at the time of the entry for the race from which the horse was claimed shall be responsible for the claimed horse until the post-race sample is collected. Any claimed horse not otherwise selected for testing by the Stewards shall be tested if requested by the Claimant at the time the claim form is submitted in accordance with these Rules. The successful Claimant shall have the right to void the claim should the forensic analysis be positive for any prohibited substance, an illegal level of a permitted medication, or if a blood sample exhibits a positive response to the erythropoietin (EPO) antibody test.

Rule 15.1.3.1.13 Erythropoietin (EPO) - A finding by the official chemist that the antibody of erythropoietin (EPO) was present in a post-race test specimen of a horse shall be promptly reported in writing to the Stewards. The Stewards shall notify the Owner and Trainer of the positive test result for erythropoietin antibodies. The Stewards shall notify the Commission Veterinarian of the name of the horse for placement on the Veterinarian's List, pursuant to Rule 5.32, if the positive test result indicates that the horse is unfit to race. Any horse placed on the Veterinarian's List pursuant to this Rule shall not be permitted to enter a race until the Owner or Trainer, at their own expense provides proof of a negative test result for EPO antibodies from a laboratory approved by the Commission provided said test sample is obtained under collection procedures acceptable to the Commission or its designee under these Rules.

Notwithstanding any inconsistent provision of these Rules, a horse shall not be subject to disqualification from the race and from any share of the purse in the race and the Trainer of the horse shall not be subject to application of the Trainer's responsibility based on the finding by the laboratory that the antibody of erythropoietin was present in the sample taken from that horse.

Limitations on Claims:

- A. No person shall claim more than one horse in a race.
- B. No Authorized Agent, although representing more than one Owner, shall submit more than one claim in any one race.
- C. When a stable consist of horses owned by more than one person, trained by the same Trainer, not more than one claim may be entered on behalf of such stable in any one race.

- D. An Owner who races in a partnership may claim in his or her individual interest if the individual has started a horse in the partnership.
- E. The individual must also have an account with the Horsemen's Bookkeeper that is separate from the partnership account.

Claim Irrevocable When Lodged - When a claim has been lodged with the Secretary, or the Clerk of the Course, it is irrevocable, and is at the risk of the Claimant.

Collusive Claiming Punished:

- A. Should the Stewards be of the opinion that any person is claiming a horse collusively for the benefit of another interest or in order to evade the provisions of any section of this Article, they may require him to make an affidavit that he is not so doing, and if upon proof it be ascertained that he makes a false affidavit, he shall be referred to the commission for further action.
- B. Should the Stewards within 24 hours after the running of a race be of the opinion that the lease of the entry of a horse was not made in good faith but made for the purpose of obtaining the privilege of entering a claim, then in each case may disallow or cancel any such claim and order the return of a horse that may have been delivered and refer the case to the Commission for further action.

Stewards Certificate to Claim - An Owner whose stable has been eliminated by claiming or fire or other hazards shall have the right to claiming during the remainder of the meeting at which his stable was eliminated, or for the next thirty (30) days. If the thirty (30) day period shall extend into the next succeeding meeting of the Racing Association, the Owner must obtain a certificate from the Stewards of the meeting at which he lost his last horse, and must present the certificate when filing a claim at the next meeting.

Thirty Day Prohibition - Sale of Claimed Horse - No horse claimed in a claiming race shall be sold or transferred, wholly or in part, to anyone within thirty (30) days after the day it was claimed, except in another claiming race.

All Grooms are encouraged to wear a collared shirt and khaki pants. If the attire worn, by licensed personnel, to the paddock is unacceptable, said person(s) will be asked to leave the paddock area immediately and will not be allowed to return until properly attired. **By order of Delaware Park Management Owners, Trainers, Persons and their Employees are not allowed in the paddock area, unless they have a horse in such race.**

Paddock Schooling - The Paddock will be open for schooling in the morning only on Tuesdays and Fridays from 9:30am to training is over. For race day schooling please contact the paddock judge to make proper arrangements.

Post Parade Attire - All pony people escorting horses to the post must wear the required attire. Proper attire will be strictly enforced by the Outriders. Proper attire includes the following: White Helmet Cover, White Shirt, Hunter Green Protective Vest, Tan or Khaki Pants, Green Saddle Towels, Delaware Park Issued Jackets (If needed).

Quick Official - In order to accelerate in making races official, when no interference has been suspected or occurred or any other reason that may necessitate a delay in making the race official, the following procedure will be followed: Registration of a claim of foul. All Outriders shall be equipped with a two-way radio for communication with the Stewards. Jockeys wishing to claim a foul or put a race on hold will so communicate their wishes to the Outrider. If his horse is pulled up prior to reaching the Outrider, the Jockey must proceed to the Outrider if he wishes to request a claim of foul or put the race on hold. For those horses that pass the Outrider before they are pulled up, the Outrider must wait until they pass him to unsaddle before communicating a no-claim status to the Stewards. Obviously, if a fall occurs, the Stewards will demand an inquiry. If for any reason the Outrider is unable to communicate to the Stewards, there will be no Official for that race until all Jockeys have weighed in. It is understood that the outrider's number one priority is to catch a loose horse and this responsibility takes precedence over the "Quick Official". To permit an Owner or Trainer to request a claim of foul or to put a race on hold, telephones are available at the following locations: Winners Circle, Paddock Security Office, Racing Secretary's Office and the Dining Room Maître d's desk. Or they can tell the Clerk of Scales to communicate their wishes of a claim of foul, or to put the race in question on hold to the Stewards. Jockeys will continue to weigh in after the race in the same fashion as is customary. The Jockeys who have registered a foul will immediately contact the Stewards upon dismounting. At any time, the outrider is not confident regarding the decision to permit a "Quick Official" he will request the race to be put on hold.

Shavings Restriction - Shavings stalls will be disbursed on a limited basis. Please inquire with the Stall Superintendent. Trainers in violation of shavings policy will be subject to Fines.

Stakes - A fully paid entry in a stakes race, when denied the opportunity of drawing a post position at the time of the official draw; will be entitled to a refund of nomination and/or entry box fee. In all Handicap stakes and overnights, preference will be given to high weights (scale considered). In Allowance stakes preference will be given to horses that have accumulated the highest total earnings in 2022-2023, unless otherwise noted in specifics of race. Delaware Park LLC retains the right to postpone or reschedule any stakes race.

Stall Office – The Stall Office will be open on live race days. Make sure that you plan for your horse's arrival to avoid being delayed at the gate. All work order blanks must be turned into the Main Gate and be filled out in detail with a contact person.

Call emergency work orders into ext. 7161 or 7253.

Starter Allowance races - Starter races will be treated as an Allowance race in eligibility and determining allowances. In any Starter Handicap and/or Starter Stakes where any part of the nomination, entry or start fees are included in the purse shall be considered a Stakes race.

Starters Fee - All starters will pay a \$20.00 fee in lieu of any pony fees. These fees paid to the Association shall be for the account of the Delaware Horsemen's Assistance Fund, to be used exclusively by it to assist needy persons connected with Delaware Racing.

For a **Trainer transfer**, both the former and the current Trainer must contact the Stewards for approval.

Training Hours - Note: All times are subject to change (due to time change and darkness). The Main track will be open for training from 5:30 am to 10:00 am daily. Breaks will vary.
