

POKER GAMES

Poker has many game variations, all following a similar pattern of play and generally using the same hand ranking hierarchy.

Flop Games

Players are dealt their hole cards. Round of betting. Three community cards are dealt face up in the center of the table (Flop). Round of betting. Another community card is dealt (Turn). Round of betting. One more community card is dealt (River). Round of betting. The Player makes their best five card hands out of the seven cards available.

Hold'em

Each Player receives two down cards. The Player makes their best five card hand out of the seven cards available. The Player with the highest ranking five card hand out of the seven cards available wins the pot.

Omaha

Each Player receives four down cards. The Player makes their best five card hand out of the seven cards available. The Player must use two of their down cards. The Player with the highest ranking five card hand out of the seven cards available wins the pot.

Stud Games

Players are dealt two down cards and one up card followed by a round of betting. Player receives three additional up cards with a round of betting between each dealt card. Player receives one down card followed by a round of betting. The Player makes their best five card hand out of the seven cards available.

Seven Card Stud

For the first round of betting, the Player with the lowest ranking card showing begins the action with a forced bring in bet. For all other rounds the Player with the highest ranking up cards begins the action. The Player with the highest ranking five card hand out of the seven cards available wins the pot.

Seven Card Stud, Eight or Better

Identical to Seven Card Stud, except that half of the pot will go to a qualifying low hand. For a qualifying low, a Player's hand must consist of five cards of different rank, eight or less.

Razz

For the first round of betting, the Player with the highest ranking card showing begins the action with a forced bring in bet.

For all other rounds, the Player with the lowest ranking up cards begins the action.

The Player with the lowest ranking five card hand out of the seven cards available wins the pot.
